1. Not more than two swimmers in every event can be selected for participation.
2. **A** time – QT regardless of age.
3. **B** time – QT for the younger swimmers (18 years old and younger), candidates for the Games 2023.
4. If more than two swimmers achieved **A** QT, then priority in selection will go to swimmers with better “season best time” 2 months before the start of the Games 2021.
5. If more than two swimmers achieve **A** and **B** QT, then priority will go to swimmers with **A** time (subject to positive results in the current season).
6. To qualify in the relay events National Team must show a time equal or faster than QT. If four or more swimmers will show a time equal or faster than “relay QT for one swimmer”, then relay team will qualify automatically.
7. Selection for the relay teams will be according to “season best time” two months before the start of the Games.
