EXTRACT FROM THE ASA STATUTE			
RULE 34.2 REGISTRATION OF SWIMMERS a. General Rules - A swimmer may only register with any one Club. - Clubs shall register all their Swimmers with the Association by means of the Official Registration Forms duly completed and signed in force at the time of registration. Only Swimmers registered in this manner shall be eligible to participate, as regulated by the relevant rules, in any sporting discipline falling under the aegis of the ASA, World Aquatics or European Aquatics. - Registration forms, duly completed and signed are to be submitted to the ASA Office within one month from the date of the signature of the swimmer, and not later than the deadline for the submission of on-line entries of the swim meet in which the athlete will be participating in. - Valid Registration Forms deposited at the ASA are to be acknowledged within a week. These acknowledgments may be made by means of electronic mail. - The end of the registration period shall coincide with the end of the last competition of the season. - An annual registration fee for each Swimmer is to be paid by the club with whom the swimmer is registered. This fee will be determined periodically by the Council. If an athlete is registered as both a swimmer and a Water Polo player with the same club, then the second registration fee is waived. - The registration is to be considered as an agreement between Club and swimmer. The Club on one part is requesting the service of the registering swimmer and is prepared to make use of the swimmer during competition, and will accede to his transfer or transfer on loan if his services are no longer required. The swimmer on the other part is accepting to be an active member of the Club he is registering for, by participating in training sessions, friendly and competitive events, and any other terms stipulated in agreement between Club and Swimmer. - A Registration of a Swimmer with the ASA is considered to be valid at such time that a Registration Form, observing the requisites listed in sub-article vii, is submitted to the ASA and endorsed and acknowledged by the General Secretary or the Registrations Officer. Registration Forms with missing and/or incorrect details, or which do not conform to other ASA Rules shall be null and void. - All rules applying at the time of registration of a swimmer shall continue to apply for the duration of the said registration. - Swimmers shall, on signing for a club, bind themselves to remain on the Club's books for a period of one season. - The registration forms of these swimmers shall be signed by any two of the Club Officials, and by a legal guardian in the case of swimmers below the age of 18. - The registration period shall be automatically extended by further periods of one year each unless the swimmer or Club requests in writing that his/her registration period is not to be extended. Such requests are to be submitted in writing to the club/player and copied to the ASA by not later than fifteen (15) days prior to the start of a new season. - Besides the registration, the Club may wish to make a written agreement with the swimmer incorporating conditions of service, terms of remuneration, and any other terms desired by any of the parties as long as World Aquatics and ASA rules are scrupulously observed. The expiry date of this agreement shall not exceed the expiry date of the swimmer's registration period. This agreement is to be signed by any two of the Club's Officials on one part and the swimmer on the other. If a written agreement is made between the club and swimmer, an authenticated copy of the agreement may be submitted to the ASA for filing. The contents of the agreement will remain secret. Only in case of dispute and/or report of breach of contract by any of the parties shall the contents of the agreement filed at the ASA be revealed.
